john and eve part one

JOHN'S POKEMON ADVENTURE!

HOORAY, HOORAY YELLED JOHN AS HE JUMPED UP AND DOWN ON HIS BED. Today was the day john was to start his pokemon adventure. John ran down the stairs grabbed a pastry and started to head out the door. HOLD IT! Yelled john's mom. "You may want to put some shorts on. You don't see many pokemon masters walking around in there boxers. Oh yeah, I was so excited I forgot. After putting on his clothes he finishes breakfast and walked to oaks. Hey nerdface finally came. Justin said. Nerdface was Justin and kriegers nickname for him since he knew everything about pokemon and has a slight need for glasses. Hey where are the glasses nerdface. Asked kriegers. I got contacts said John. How long did it take you to get them in? An hour? Asked Justin while he and kriegers were laughing their heads off. Don't listen to them john, said Kyle. They're just bullies. Enough enough said Prof. Oak. The pokemon choices are nidoranF, nidoranM, vulpix, and eve. OK, you will each take turns playing fire water plant. As always water beats fire fire beats grass and grass beats water. OK round one john VR Justin. John chooses fire, Justin water. AW DARN! Said john. Round two Kyle VR kriegers Kyle chooses grass knowing that those two always do everything the same and sure enough wins it. Round 3 to pick first Kyle and Justin. Kyle chooses grass and Justin water. OK Kyle who do you want oak asks I want fire type vulpix! Says Kyle. OK Justin your turn. Ill take nidoranM. Round 4 john and kreiger. John makes the mistake of choosing fire and losses again. OK kreiger who do you want? NidoranF! Hey cool when they become adults we can breed them said Justin! John stood holding his pokeball looking sad. Don't fell bad that you didn't get the one you wanted, wait a second, now I remember why eve is better then most people think! Said john. I can evolve it into one of my choice of a fire water or electric type! Cool! Kyle, want to come with me on my pokemon trip? No I cant john. I made a promise id take the same route my father did. When he went

out, he went the other way because he didn't like anyone who went the way you're going. Sorry man. BYE!

Author note: I will continue this story, and if you like my story so far please e-mail me and I may put it up on a website where I would write the story. I hope you enjoyed reading it!
